Come and have a seat on the red couch, let's celebrate 150 together!**

OTTAWA, (June 30th, 2017)

The Red Couch Tour will be part of Canada Day Festivities in Ottawa. We will be located on the look out at Major's Hill Park from Friday, June 30th to Sunday, July 2nd.

The Red Couch Tour is celebrating Canada's 150th Anniversary by traveling from coast to coast to coast, inviting community members, from all walks of life, to sit on the couch and speak to what Canada means to them. After completing a very successful trip to Northern Canada and Labrador, the Red Couch is ready to continue its journey across Canada to collect stories from Canadians. On July 3rd the Red Couch Team will start the pan-Canadian tour. Spanning sixty three days and 20 thousands kilometers on the road in an RV, by the end of the summer the couch will visit every Province and Territory in Canada.

The Red Couch Tour is one of 38 signature Canada 150 projects selected by the Government of Canada to create opportunities for Canadians to celebrate and build a sense of pride and attachment to Canada.
